AGC2 PROFESSIONAL *SPEED* CLIPPER

- A powerful motor clipper designed for professional heavy-duty use
- Switch has two speed settings: Normal–for most cutting needs and High–25% faster for cutting heavy coats
- Runs so cool, it requires no annoying air vents which can blow hair in your face and your animal's face
- Maintenance free–no oiling or greasing of internal parts
- Detachable blades for ease of changing and cleaning
- All Model AG blade sets are made of high carbon steel, specially hardened for long cutting life

Removable Drive Cap
-Easy Cleaning

Sealed Motor
-Cool, Quiet, Long Life

2 Speeds
-Low Speed For All Around Grooming
-High Speed 25% Faster For Cutting Heavy Coats

Locking Blade Hinge
-Keeps Blade Secure

New Housing Material
-Improved Durability
-Resists Harsh Chemicals

Locking Switch Button
-Will Not Accidently Shut Off

NEW! Ergonomic Shape
-Smaller Diameter
